

# 2025 Highlights

Our General Manager on Compass TV, sharing how CAYS Foundation supports young people on their journey from struggle to strength.

Feminine hygiene products donated from Progressive Distributors.

Vanguard Risk Solutions kindly donated \$870 which supported with renovations in our boys home.

St. Ignatius Catholic School kindly donated toiletry products to our young people.

# CAYS

Children and Youth Services

## Can you sponsor a young person?

At CAYS Foundation, we provide 24-hour care for young people facing trauma and adversity. After the success of last year's sponsorship initiative, we are excited to continue it again this year.

Thanks to your support, our young people enjoyed staycations at Morritt's, Hampton by Hilton and Holiday Inn, purchased clothing that reflects their identities, and participated in meaningful activities—including a trip to Cayman Brac and relaxing spa days.

This year, we are once again seeking year-round sponsorships for our 30 young people to help meet their essential needs. A CI\$3,000 annual sponsorship covers clothing, activities, and personal development. You can sponsor in full or contribute 25%, 50%, or pledge quarterly.

### Where your support goes:

- Clothing - Empower young people to express themselves through their own style.
- Pocket Money - Provide them with an allowance to build independence.
- Activities - Fund enriching activities and experiences.
- Vacation/Staycation - Help create meaningful memories through local getaways.
- Celebrations - Ensure birthdays, milestones, and holidays feel special.
- Personal Space - Support them in personalising and taking pride in their living environment.

We also welcome contributions toward larger needs such as trauma and renovation projects.

To sponsor or learn more, please contact:
